

CALAIS MIGRANT SOLIDARITY FUNDRAISER

7pm till Late

Library Street Social Centre // Colorama 2 (44-50 Lancaster
Street, London SE1 close to Elephant and Castle)

Live music, infoshop, short films, discussions, food,
raffle, and more!

We also ask that people bring unwanted items such as :

sleeping bags, warm or waterproof clothes and shoes;

tents, tarps and- we need lots of them.

Books – in any and all languages. Especially, English, French, Italian, Arabic, Pashto, Farsi,
Tigrinya, Amharic and Greek. Language dictionaries would be really really cool, and really
well used. (We have many in German and Swedish already so don't need any more!)

Games – card games, board games, dominoes etc..

Tools/bike equipment – the bike workshop space is good but could be excellent. We need
tools and other equipment and as usual more bikes and trailers.

Phone chargers and sim cards

Also we are in **DESPERATE** need of cameras... We are missing so much potential footage
that could be used against the police.

and/or a little money

Everyone's invited, Spread the Word!
