

This conference will present key findings from a three year project directed by Dr. Nisha Kapoor to discuss key issues around borders, deportation, surveillance, incarceration and citizenship in the context of the War on Terror. The conference will draw on the findings to think through strategies for future organisation.

**18TH NOVEMBER 10AM - 7PM**

# DEPORT DEPRIVE EXTRADITE CONFERENCE

The project charts different dynamics of expulsion – extradition to solitary confinement, citizenship deprivation, passport removals and deportation. In doing so we examine the tools and technologies being used and developed to manage, exclude and expel racially marginalized populations

Speakers: Gareth Peirce, Amanda Weston, IHRC, Frances Webber, CAGE, Migrant Rights Network

Venue : P21 Gallery, 21-27 Chalton Street, London NW1 1JD

Premiere of new films 'The Eyes of Aaliyah' and 'Aayden and the Spider' directed by Ken Fero
